Whilst you are here take a look around the centre; the lovely rainforest garden outside the café and goes all the way down to our community garden which is lovingly tendered to by our volunteer gardening team. There are plants for sale outside the café which help our garden team buy new seeds & items that will further benefit the community in the future.

There are lovely views overlooking the man-made lake, so please feel free to look around the centre.

We cater for events, and host events onsite in our Seasons Room complete with audio visual equipment. We can also help arrange hall hire for bigger events. Either come and talk to us or give the café a call on (07) 3889 0063 or email Ruth on café@encircle.org.au.

A Cafe with a difference

Supporting the Local Community ~~ Supporting Local Business

The Riverstop Café is a not for profit café running as a social enterprise of Encircle Ltd.

We support our local business by purchasing produce from them.

We make all our Quiches, Frittatas, Spinach Pies, Cakes, Slices, Labnes, Alioli on premises from a small domestic kitchen. We pride ourselves on the flavour and freshness of our food.

All of this would not be possible without the help and support of our wonderful team of Volunteers – and to them we are very grateful.
